YEAR-END ANNUAL REPORT

[2009-10]

Last year, AGI funded 40 Projects, sent emergency relief in response to the Haiti Earthquake and helped homeless shelters and food pantries by distributing **\$757,948.74**

Dear Friends of AGI,

We believe inspired people produce extraordinary results if given the opportunity to do so. Today, and for the past quarter century, this concept of working with inspired people is the bedrock of our Alternative Gift Market program.

We are grateful for every individual, congregation, school, and community who chose to express their faith and vision for a better world through hosting an Alternative Gift Market. The disadvantaged and poor rely on us to give them the helping hand they need to cope through the perils of life. Without your effort, life for them would be without hope.

In the past year we have worked together with our supporters to help nourish, educate, heal, and provide sustainable solutions to people and communities in our world's most desperate regions. There is no back-up plan for the malnourished, enslaved, sick and poor. The work we do together *is* the difference in their lives.

Thank you for being a catalyst for change and thank you for entrusting your faith and dollars with our program.

Sincerely,

Tony Princ - Executive Director
